PROFILE

Enthusiastic and detail-oriented Computer Science graduate with a strong foundation in full-stack web development gained through a comprehensive education and hand-on experience in a web development bootcamp. Proven ability to adapt quickly to new technologies and collaborate effectively in team environments. Adept at combining technical skills with a solid business background, as evidenced by a minor in Business. Eager to leverage my skills in a dynamic software development role to contribute to innovative solutions.

WORK HISTORY

FULFILLMENT EXPERT

Target Gilbert, AZ October 2021 - Present

As a Fulfillment Expert at Target, I play a pivotal role in ensuring timely order fulfillment. I have experience working seamlessly in both morning and evening shifts, showcasing my flexibility and commitment to meeting departmental needs.

- Morning Shift
    - Spearheaded the early morning operations, overseeing orders generated overnight.
    - Set the pace for the team, establishing a productive workflow that significantly contributed to meeting daily targets.
- Evening Shift
    - Managed the evening shift, ensuring the accurate and timely completion of the daily workload.
    - Implemented thorough workspace clean-up procedures to provide an organized and efficient environment for the morning team.
- Training and Support
    - Implemented thorough workspace clean-up procedures to provide an organized and efficient environment for the morning team.
- Cross-Functional Collaboration
    - Provided valuable support to other departments, including serving as a Closing Expert and contributing to general merchandise tasks.

OMNI FULFILLMENT

Kohls Gilbert, AZ November 2020 – October 2021

As an Omni Fulfillment Specialist at Kohl's, I played a pivotal role in the seamless execution of online order fulfillment, demonstrating versatility across various responsibilities within the omni channel.

- Online Order Fulfillment:
    - Strategically retrieved items from both the sales floor and stockroom to fulfill customer orders efficiently.
    - Expertly packed online orders, ensuring accuracy and timely dispatch.
- Freight Management:
    - Contributed to the unloading and stocking process of merchandise from incoming trucks, maintaining a well-organized and stocked sales floor.
- Amazon Returns:
    - Managed Amazon returns, proficiently collecting and packaging items for return.
    - Ensured the timely processing and loading of Amazon returns onto trucks for efficient logistics.
- Curbside Delivery:
    - Executed curbside delivery operations, providing a convenient and customer-focused service.
